Zang Toi 2013 Romantic Spring Summer Fashions

Designer Zang Toi focuses on romance in the French Riviera for his **2013 Spring Summer Collection** during the ***Mercedes-Benz Fashion Week*** at **LincolnCenter** in **New York**. The collection is lush, fresh, and inspired to create a little romance for the special moments in your life.

Zang Toi found inspiration from the romantic French Riviera for his Spring Summer 2013 collection, "The sun is rising on the Côte d'Azur and creates a soft sparkle on the waves. Above the beach is Madame du Château Lourmarin in her lush garden, strolling in her morning gown and dreaming of her handsome lover. She listens to the birds in distant pin parasols. There is a sweet fragrance on the air from her blooming ice lilac roses. His charming face fails to elude her mind. She turns to walk back into her grand château, through the morning mist, her young lover appears."

The collection is gorgeous, romantic, and fresh, calling to mind a spring garden utilizing a color palette of ice lilac, ice pink, and ice yellow, and always formal, ivory and black, and features 31 looks that will capture your heart. Encrusted ice crystals, hand-beaded blossoms, sequins, beads, and French lace add visual appeal and sumptuousness to the stunning creations.

Zang Toi, known for the details that set him apart, the collection takes back details to new levels of inspiration. There were many highlights from the Spring Summer 2013 collection shown during Mercedes-Benz Fashion week, which included an Ice Pink Silk Gazar "Romance at Côte d'Azur" Ballgown Veiled Tulle Caught with Silk Roses, which was romance at its best with its full skirt, modest scoop back, and ice pink silk roses set above the waist at the lower back.

His Ice Yellow Silk Shantung "Côte d'Azur" Gown Bordered with Encrusted Ice Crystals featured exquisite detail at the neckline and shoulders, 9-covered buttons on the sheer back, and an attention-getting long trailing train.

Another highlight of the collection was his stunning Ice Lilac Silk Gazar Mini Dress with Silk Chiffon Draped Sleeve and Back Caught with Silk Roses, in which Zang used the curve of the fabric at the back of the dress to nestle silk roses, which was an interesting surprise.

Small scalloped edges along the deep plunging U-back and along the hemline of the Ice Pink Hand Loomed Rayon Sexy Back Mini Dress made a major impact in style, and full elbow length sleeves added interest to his Ice Yellow Silk Taffeta Gingham and Ice Yellow Silk Shantung "French Riviera" Dress Bordered with Re-embroidered French Lace.
