WEN Fragrance Collection by Chaz Dean

Chaz Dean's luxurious seasonal fragrances from the **WEN® Fragrance Collection: WEN® Sweet Toasted Almond Eau de Parfum, WEN® Basil, Cucumber Tea Eau de Parfum, and WEN SIXTHIRTEEN® By Chaz Dean Eau de Parfum**, are perfect for **spring and summer** with their lighter, refreshing notes created by **Los Angeles Stylist Chaz Dean** and were designed as unisex fragrances.

What I love about the Chaz Dean Fragrance Collection is that attention to detail goes well beyond the carefully selected and uniquely blended ingredients that create the WEN® by Chaz Dean Eau de Parfums and extends to the attractive bottles and packaging that make them very desirable as luxurious gifts. Made in the United States, the fragrances are sure to enchant the wearer.

WEN® Sweet Toasted Almond Eau de Parfum

The **WEN® Sweet Toasted Almond Eau de Parfum** is a light and sensuous blend of crushed green mint, toasted almond, bergamot and cardamom, that when it warms on the skin elicits soft, baking spice notes. Packaged in a tall, rectangular bottle with a rectangular top, both the paper box and the bottle carry the message, "May you be blessed with light, love, hope, strength, faith, joy, truth, honesty, understanding, wisdom, harmony, prosperity, success, health, and happiness in all the years to come."

WEN® Cucumber Basil Tea Eau de Parfum

The **WEN® Cucumber Basil Tea Eau de Parfum** is "a fresh twist on their classic Cucumber Aloe products," with a blend of aloe, cucumber and basil extracts, with notes of bergamot, black tea and neroli, and like the other WEN® fragrances it was designed as a unisex fragrance. This fragrance reminded me a fresh cucumber gin cocktail perfect for a warm spring or summer day. Packaged in a tall, rectangular bottle with a rectangular top both the paper box and the bottle carry the same message as the WEN® Sweet Toasted Almond Eau de Parfum.

WEN SIXTHIRTEEN® Eau de Parfum

WEN SIXTHIRTEEN® Eau de Parfum comes in an attractive white square box with a low-rise round bottle with a round top, and is a delightful blend of citrus, floral, herbal, and spices: lemon, rosemary, amber infused vanilla essential oils with notes of Italian bergamot, Egyptian basil, orchid petals, and white lavender that elicits sweet, floral notes as it warms on the skin. A light, clean scent, Chaz Dean designed this balanced fragrance for day or evening wear.
