Malan Breton Fall Winter 2018 Menswear and Womenswear Collection - Style Fashion Week

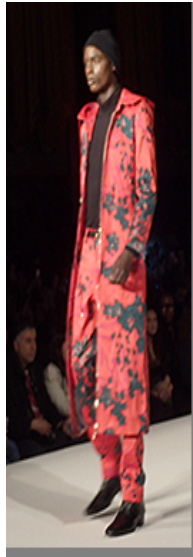

Presented by [Style Fashion Week](#), [Designer Malan Breton Fall Winter 2018 Collection](#) dazzled the audience with his exciting and stunning collection of **menswear**, **womenswear**, **outerwear**, and **evening wear** during his **New York Runway Show** in February 2018 at **Cipriani 42nd Street®** in **New York City**. Designer Malan Breton launched his eponymous collection in 2005 and has been a darling of the fashion world ever since with his cutting-edge creativity.

Twice a year, in February and September, fashion industry insiders and fashionistas from around the world arrive in New York City to see the designer collections and neither rain, sleet, snow, nor ice will prevent the shows from happening. Thursday, February 8, 2018, was a cold day in New York City however, the weather did not deter me or fellow fashionistas from flocking to see what Designer Malan Breton had created for his Fall Winter 2018 New York Runway Show.

Housed in the sophisticated Italian Renaissance building that was once The Bowery Savings Bank, Cipriani 42nd Street® with its soaring ceilings, massive marble columns, marble floors, and long runway, was the perfect venue to showcase Malan Breton's stunning Fall Winter 2018 collection. To get the party started, the talented **Jazz musician** [Matthew Whitaker](#) provided pre-show music before the models took to the runway.
